

RUBBERBAND

GREEN FUND

2026/2027

RUBBERBAND, in collaboration with Pentacle brings back the GREEN FUND for 26/27.

After the continued success of the company's innovative eco-touring initiative, RUBBERBAND and Pentacle are thrilled to announce that presenters will be able to secure Green Fund tour support for 2026/27 performances.

The Green Fund is an eco-touring initiative that provides a \$2,000 fee subsidy to U.S. presenters who support our efforts in environmentally responsible touring.

Presenters who book a performance within two designated windows in Fall 2026 and Spring 2027 are eligible for Green Fund fee support. Our goal is to reduce our overall carbon footprint by cutting down on transportation between engagements, while bringing awareness to environmental sustainability and **illustrating how working together, we can make a difference.**

The Green Fund is RUBBERBAND's latest endeavor to be more environmentally conscious while continuing to do what we love!

To find out more about our 26/27 Green Fund Touring Windows and Fee Support details contact:
